Volume II

ISSUE 1

Hello everyone,

Welcome to the first issue of the second volume in my monthly photozine. As you can see it has a different title this year to tie in with my blog of the same name. In every issue, the photozine will again contain ten monochrome images that best represent the work I was doing each month.

This first set of images were taken in January 2017 and the weather had turned wintry. Some smaller rivers in the area had frozen over and the skies seemed miserably grey for most of the time.

I hope you enjoy the photographs.

All the best
