## PHOTOZINE

By  
Clive Marshall LRPS

**Volume II**

**ISSUE 5**

Hello everyone,

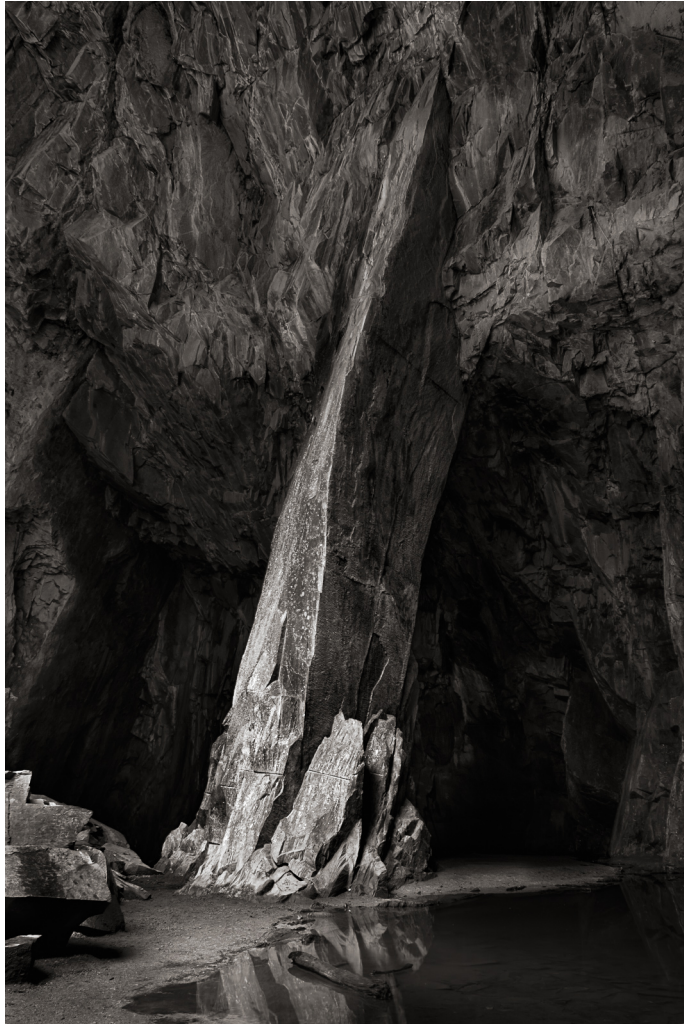

Welcome to issue five of A Sensored View photozine. Inside you will find another ten images (eleven if you include the title page) in monochrome that were taken during May.

I took a lot of photographs during this month in various locations. I made a trip to the Lake District, worked on some images for my Royal Photographic Society Associateship presentation and tried my hand at some abstract images using deliberate blurs and movement.

So, there are some varied photographs this month, I hope you enjoy them.
